St. Andrew's is a vibrant Christian Community located in the heart of Sidney. We are a diverse parish family as represented in our weekly services, our Missions and our Ministries.

Our Services

Thursday, 10.00 AM - Holy Eucharist

A small and intimate group, gathering for Holy Communion. On the first Thursday of the month we include a healing service as part of the offering.

Sunday, 8:00 AM - Holy Eucharist

A meditative service of Holy Communion using traditional Anglican liturgy from the Book of Common Prayer.

Sunday, 10.00 AM - Family Eucharist

Using contemporary Anglican liturgy from the Book of Alternative Services, this lively offering features music with our Praise Group, and periodically features our robed choir and more traditional organ music.

Sunday school is offered during this service.

We feature very special services and events celebrating the journey of Christ throughout the year, both indoors and out!
